By Mr.B.V.Ramasvamy Chetty

I. Are Government aware of the following facts:-

(a) Long continued congestion of work in the Court of the First Munsiff of Bangalore;

(b) That this congestion is due not to the inability of the Judges who are put in charge of this Court to dispose of cases but to the nature and volume of cases filed in this Court;

(c) That by reason of this congestion of work both the Judge and the public are put to much inconvenience;

(d) That formerly when there was such congestion of work in this Court Government have removed it by appointing an additional Munsiff for Bangalore. In view of these facts will Government be pleased to form either temporarily or permanently an Additional Munsiff's Court for Bangalore?

From

The Registrar of the
Chief Court of Mysore,

29 AUG 1921

To

The Secretary to the Government of
H. H. the Maharaja of Mysore,
Revenue Department, BANGALORE.

Sir,

Adverting to your letter No.G.24160/Cts.189-20-6 dated the 10th June 1921, forwarding copy of an interpellation of Mr. B. V. Ramaswami Chetty, Member of the Legislative Council in the matter of congestion of work in the First Munsiff's Court, Bangalore and requesting the opinion of the Judges thereon, I am directed to forward herewith a statement showing the work of the several Munsiffs' Courts in the State during the five years from 1915-16 to 1919-20 and the pendency at the end of each year and to state that, as will be seen from the statement, from 1915-16 to 1919-20 the number of original suits filed in the Bangalore Division has risen from 6517 to 8530, i.e. by 2013 and the number of Small Causes from 5993 to 8088 i.e. by 2095 and obviously a file of 2000 original cases and 2095 small causes is sufficient for one court. There is at present no sign of decreasing files. In 1915-16 the courts of the Division --

disposed

disposed of 12554 suits (O.S. and Small Causes together) and in 1920-21, they disposed of 15458 suits: 2904 suits more in the latest of the two years, against a file increased by (2013 plus 2095) 4108 suits.

At the end of 1915-16 there were 4161 original suits and 1370 small causes pending in the division. At the end of 1919-20 there were 5539 original suits and 2157 small causes pending --an increase of 1378 original suits and 787 small causes.

The limit of possible disposal by the present number of courts has been reached or nearly reached unless the character of the litigation changes and the proportion of contested suits is reduced: and it is obviously useless to count on that.

It may safely be taken that there is no marked reduction of work in 1920-21 and assuming that the files continue at the rate reached in 1919-20, the disposals show that the present courts can hardly keep abreast of the current institutions and cannot hope materially to reduce arrears within any reasonable time.

Whether the increase of pending cases or the increase of institutions be considered, the Judges are of opinion that there is clearly shown to be work for another court for the Bangalore Division at any rate, temporarily. Whether it will be required permanently or not will depend on the course of litigation in the future. The heaviest arrears are in Bangalore and the new court should be located there.

Further

Further I am directed to invite attention to the last paragraph of this office letter R. Dis. No.4 of 20-21 dated the 26th July 1920 regarding the establishment of an additional Munsiff's Court at Seringapatam and to state that in regard to the Mysore Division the statement referred to above shows that in 1915-16, 5629 original suits and 2754 small causes were filed and in 1919-20, 8803 -- original suits and 3590 small causes--an increase of 3174 original suits and 836 small causes. This is more than full work for one court.

Disposals of both classes of suits together were 7886 in 1915-16 and 11594 in 1919-20 (against 12393 of institutions). The figures of pending cases were 2617 original suits and 623 small causes in 1915-16 and 4399 Original suits and 945 small causes in 1919-20 an increase of 1782 original suits and 322 small causes.

The case for another temporary court is in the opinion of Judges even clearer here and Seringapatam with over 500 contested original suits now pending is evidently the locality which requires relief.

In the above circumstances I am to request that the Government may kindly be pleased to direct the establishment of two new Munsiffs' Courts temporarily for the present and locate one at Bangalore and another at Seringapatam to relieve congestion of work in the Munsiffs'-- courts working at present in those two localities and to reduce the delays so frequently complained of in the disposal of cases. The Judges desire not to exaggerate the ----

position,

position, but they are satisfied that unless their proposal is accepted there is no hope of avoiding the continuance of the congestion which now marks the files of the courts in many places and of which Mr. Ramasami Chetti very reasonably complains in Bangalore.

If, however, the Government find themselves unable at present to sanction a new court for each of the two divisions of Bangalore and Mysore, at least one temporary court may be sanctioned for the whole State as it is absolutely necessary to cope with the ever increasing volume of litigation. It may sit in the first instance for a year at Bangalore.

If it is impossible to give even one new court, the Government must expect the present state of affairs to continue without any great improvement: but as a measure of palliation which though it will be insufficient even for the present time may be better than nothing I am to suggest the temporary closing of the Munsiff's Court at Narasimharajapura (which has less work than any other court) and the transfer of its jurisdiction to the Chikmagalur court, with a possible redistribution if necessary between Chikmagalur, Shimoga and Sagar: a new court this provided, may be opened in some more congested locality without increase in the total number of courts.

I have the honor to be,

Sir,

Your most obedient servant,

M Venkatasubbiah

To

K.Matthan, Esq., B.A.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir

With reference to your letter No.G.4308/Cts.189-20-10 dated 10th March 1922 enquiring what use could be made of the building now occupied by the Munsiff's Court at Dodballapur in case the court is transferred to Bangalore, I have the honor to state that the Building in question may be utilised for the Anglo Vernacular school, as the present building does not afford sufficient room for all classes and that the present school building may be handed over to the Revenue Department for locating therein, the Bench Court, Taluk Board and Municipal Offices, for which there is no sufficient accommodation in the Taluk Office where they are at present located.

A copy of Dodballapur Sub-Division Officer's No.H.C.644/21-22 dated 18th March 1922 is herein enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Bangalore District.

(Absent from Station)

The A.V.School building which is situated opposite to the Taluk Cutcherry at Dodballapur affords very cramped accommodation and some of the classes are being held in the grove in which the school is located. The Munsiff's Court is a much larger building and I believe will do nicely for the school and also for the Education Assistant Inspector's office which is also in a rented building. The present A.V.school building may be handed over to the Revenue Department; the Bench Magistrates' Court, the Taluk Board, and Municipal offices may all be located there, as it is, the Taluk Cutcherry building is not large enough and the need for additional accommodation is keenly felt.
